EXPERIENCE

- **Ayacare Private Limited** *July 2023 - Sep.2023*
  Web Development Intern Bengaluru South, Karnataka, India
  – I had the opportunity to work on exciting projects and contribute to the growth of the platform.
  – My responsibilities included developing and maintaining web-based applications, optimizing website performance, and collaborating with the development team.

- **All India Students Union** *June 2023 - June 2023*
  Web Development Intern West Champaran, Bihar, India
  – The press release section of the company's website was created by me during my internship.
  – A section was established wherein only administrators had the capability to add, update, and delete the press releases posted by the company.

PROJECTS

- **Shoppify** *March. 2024 - present*
  A comprehensive e-commerce platform designed for seamless shopping experiences. Live Url Github
